The Honorable Per Jacobsson
Chairman of the Executive Board
and Managing Director
International Monetary Fund
19th and H Streets
Washington, D. C.

Dear Per:

Many thanks for sending me the interesting
photographs taken at your reception several weeks ago.
I was particularly gratified to be photographed with
your lovely daughter.

I have been away in Europe for the past three
weeks which accounts for the delay in sending you my
thanks.

If ever I should write up the Japanese peace
negotiations, I shall use the photograph of the two of us
engaged in earnest conversation even though it postdates
the other event by some fifteen years.

Sincerely,

AWD/ji
